

Solve your Cross-Cultural Management issues

- When they arise
- Anywhere in the world
- In a cost-effective way

This is how it works

Using our professional telephone consulting is easy.

- You purchase an amount of consulting hours to be used within the next 6 months.
- You receive a login and password to our system where you can book the consultants you need.
- When you book a consultant (30 mins. minimum) you will be provided with telephone number for you to call at the time you booked. We help you find the best suited consultant available.
- After the call your balance will be adjusted and you will have the opportunity to rate the consultant.

Let your managers around the world get the professional advice on cross-cultural management issues when they need it.

Save money and time and increase productivity, organisational effectiveness and momentum.

Imagine that your managers can get instant help when they face a cultural related management issue like:

- Why does some of my staff not feel motivated?
- How do we stop the internal fighting?
- How do I make people work better together?
- How do I as a manager manage people from other cultures?
- How do I communicate in the right way?
- How do I tackle cultural dilemma's?

With a corporate agreement your managers can call a specialist when they need it - around the world - around the clock.

Gugin is..

...a global operating consulting firm specialised in helping companies taking advantage of cultural diversity. It can be diversity in national-, corporate- or profession cultures. The company was established in 2001 and we have done hundreds of workshops and consulting assignments for clients around the world. Our approach is not antropological as our focus is on how we can improve organisational effectiveness and leadership competences through cultural diversity. All our consultants have many years of management experience, combined with a solid academic and practical understanding of how to reconcile cultural related management issues.
